

NTRA worldwide accredited test labs

This document lists NTRA worldwide accredited labs. This document is liable to update by NTRA whenever any change takes place in it.

Accredited test labs are divided into two groups as follows:

Group A:

The labs accredited in this group are accepted by NTRA to issue:

- 1) Communication equipment test reports.
- 2) VoC and PVoC certificates in tight scheme procedure (Doc 02)

Group B:

The labs accredited in this group are accepted by NTRA to issue the communication equipment test reports only.

Table I lists the two groups accredited labs all over the world.
